

Travel to the Danfoss Milwaukee Facility

Airport

Chicago - O'Hare Airport

Once you have retrieved your luggage (and cleared customs, for international travelers), you can either rent a car or take a bus to Milwaukee.

Car rentals: Several of the rental car companies provide small shuttle buses or vans that will take you to their rental offices from various areas around the airport. For more information, check with your rental car company or www.ohare.com.

Bus tickets: Domestic travelers should follow the red signs to the bus/shuttle center, where the bus stops outside of door #4. For international travelers, the bus leaves from the lower level of the international terminal, exit 5E.

You can purchase bus tickets online

at www.wisconsincoach.com, at the bus/shuttle center counter or after you board the bus (cash only, \$50 bills or less). See *Bus Travel* on next page.

From Chicago, take 294 N. 294 will merge with 94. Exit onto 43 S / 894 W. Next, exit onto 45 N. Exit at Good Hope Road, then turn left onto 107th St., then right onto Bradley. The factory will be on your left.

There are two Toll Plazas on the way. The tolls are \$1 and \$1.50.

International travelers, please note:

- The toll collectors only take US currency.
- Stay to the right and follow the signs that say "MANUAL."
- **Avoid the "I-PASS" lanes.** These require a transponder that automatically deducts your tolls, and do not allow you to pay with money.

Bus Schedules

Wisconsin Coach runs buses from O'Hare and Midway Airports into Milwaukee. On the map below,  marks the Wisconsin Coach bus terminal. Other yellow areas mark additional stops. For more information, current schedules and tickets, visit www.wisconsincoach.com
